

# The Vision

Kingdom Business Network has the purpose of creating a global network of Christian believers who have a passion (and a calling) for sharing the gospel around the world.

The idea of a network comes from multi-level companies such as Amway or Herbal-life. Where there is an associate who is looking to enroll others to be part of their business, with the idea that they will, eventually, try to enroll others and keep the business growing.

The basic unit of this business will be an associate. Someone just like you and me who wants to share the gospel and make an impact in the community they belong.

The ultimate goal is to bring people to Jesus and direct them to a local church for discipleship. In this sense, we will be sowers, not reapers.

After signing in they will receive a log-in to their 'back office' where they can manage their business Unit. In there they will either claim a territory (within a county, if vacant) or will be able to connect with the leader of that specific county.

If the county is unclaimed they then will receive a welcome package and a set of tutorials and forms they would need to go through.

After that onboarding process, a virtual appointment will be made with the leader of the department (set of counties belonging to the same state or region) as well as an invite to join the group praying, worship, and bible studies.

A set of initial missions would be activated in his task lists. This mission would include:

- Personalize your public space. This will generate a QR code that can be shared.
- Order your outreach cards (based on template designs to pick from)
- Find your 12 and your main partner (within your county). [this will be an ongoing task] and minister/serve them.
- Make a directory of Local, non-denominational, churches.
- Contact pastors tell them about the program, and ask them to fill up their church profile. In this sense, you will be serving them (by sending people their way, but you won't be receiving orders from them unless of joint venture activities).
- Make a directory of Public places and plazas that could potentially be used for preaching, gatherings, and outreach activities.
- Organize your first outreach activity based on the available blueprints; register your event on the site.
  - Worship in the Park.
  - Hugs and Prayings in a Public Plaza.
  - Handle outreach cards (and granola bars) at a public transportation station.
  - Sandwich/blankets drive for the homeless.
  - Etc.
- Connect with your public servants and ask for any specific permissions needed to preach in public places. Ask them how you could use their public facilities (such as auditoriums, gyms, armories, etc). Ask and knock and the doors will be opened!
- Create and maintain a directory of people who need praying and list them on the site (name, age range, gender, particular situation and needs, praying request, etc).

- Organize your own praying meetings with your pack to pray over these people and over the territory you are about to conquer.
- Sign yourself (and your pack) into a "Bible in a year" reading plan.
- Start looking for financial sponsors, send them your link; so they can see the events they can finance within your cell, and your network (up or downwards).

## **Who are we looking for:**

- A newborn Christian with no special qualifications or titles (at all).
- "The willing" just as they are.
- People that will allow the HS work in their lives.
- Sponsors. People that you know that they want to invest in the Kingdom. They will be able to browse events and fund them (by buying the flyers, t-shirts, bibles, megaphone, paying for the event's location, etc.)

## **What to expect:**

- Expect no recognition, no rewards, no money. We are doing this for Christ not to be seen or shine. It is going to be hard, we will be hated and spilled in our faces. We are doing this out of love not fame or Fortune.
- Being left alone by people "you thought" they will follow you.
- Miracles, signs, and wonders. HS will enable the "willing".
- Growth.
  - Other Christians will follow your example. Enroll them as part of your pack (if local) or just ask them to sign in (and they will be directed).
  - Eventually one of your pack will become a leader in your same county or the next county. You will need to lead them to replicate your (little or big) success.

Kingdom Business Network will provide a platform for evangelists to organize from simple to complex evangelistic events by creating a team (pack) and networking with churches, local authorities, and cheerful givers. They will provide guidance, training, funding (network from upper levels), templates, logistics, and, a communication platform to get things organized.

For example, a cell (or set of cells in the region) wants to organize a Worship night in the Municipal auditorium and, they already have the approval of the local authorities but lack funding and marketing merchandise. We will collaborate to find the worship bands, a preacher, host him/her, etc.

## **Why the Urgency?**

I think we are heading to a great shaking, the shaking that was announced by the Prophets and even by Jesus. This great Shaking is known as the Great and Mighty Day of the Lord.

This day is a day of Judgement, not only for the wicked but also for the lukewarm Church and false teachers/preachers.

This event, then will trigger the great revival.

If you read the Bible there are many references where the wicked is removed and it's found no more.

I think we all have the concept of the Rapture wrong, yes Jesus spoke about people getting snatched away; and I have always believed that the ones snatched were the righteous; until I

open and read the amplified version of the Bible. Then I started seeking other parts of the Bible that resonate with this.

**Matthew 24:40-41 (AMP):** "Then two men will be in the field; one will be taken [for judgment] and one will be left. Two women will be grinding at the mill; one will be taken [for judgment] and one will be left."

Your theory suggests that the "taken" in this passage refers to the removal of the wicked for judgment, rather than the rapture of the righteous. Here are some other scriptures that might align with or support your interpretation:

**Matthew 13:24-30, 36-43 (The Parable of the Wheat and the Tares):**

- This parable explicitly describes the removal of the wicked (the tares) at the time of harvest:
  - \* "So just as the weeds are gathered up and burned in the fire, so will it be at the end of the age. The Son of Man will send forth His angels, and they will gather out of His kingdom all things that offend [those things by which people are led into sin], and all who practice evil [leading others into sin], and will throw them into the furnace of fire; in that place there will be weeping [over sorrow and pain] and grinding of teeth [over distress and anger]. Then the righteous [those who seek the will of God] will shine forth [resplendent] like the sun in the kingdom of their Father. He who has ears [to hear], let him hear and heed My words."

This passage clearly indicates that at the end times, the angels will remove the wicked from among the righteous, which supports your interpretation that in Matthew 24:40-41, the 'taken' might refer to the wicked being taken for judgment.

**Psalms 1:4-5 (AMP):**

- "The wicked [those who live in disobedience to God's law] are not so, But they are like the chaff [worthless and without substance] which the wind blows away. Therefore the wicked will not stand [unpunished] in the judgment, Nor sinners in the assembly of the righteous."

Here, the imagery of the wicked being blown away like chaff parallels with the idea of removal or being taken away for judgment.

**Proverbs 2:21-22 (AMP):**

- "For the upright [those who are in right standing with God] will live in the land And the blameless [those with integrity] will remain in it; But the wicked will be cut off from the land And the treacherous will be [forcibly] uprooted and removed from it."

This verse supports the notion that the wicked are the ones who will be removed from the land, akin to being 'taken' in Matthew.

**Malachi 4:1 (AMP):**

- "For behold, the day is coming, burning like a furnace, and all the arrogant (proud, self-righteous, haughty), and every evildoer shall be stubble; and the day that is coming shall set them on fire," says the Lord of hosts, "so that it will leave them neither root nor branch."

This prophecy about the day of judgment where the wicked are consumed could be seen as an analogy for being 'taken' away.

Darkness had built up in the past 20 years. It looks like they are taking over not only the government but all the seven mountains of influence: Education, Arts and Entertainment, Church/Religion, News and Media, Business, Family, and, Government.

We can't imagine what dark forces are doing behind doors and how many 'leaders' are actively working and participating with the enemy.

We are witnessing how the Good is being called evil and the Evil/wicked is now called good and love.

I foresee God shanking everything and judging the wicked (they will be gone-gone); this will ignite not only fear and chaos but also the Great Awakening and the Billion Soul Great Harvest.

I foresee You and I working 7x24, full time, for the gospel.

We need to get ready and get organized. In the little, in the small, in our Samaria, in our Jerusalem, and in our Galilei.
